Editor's Letter

The 1965 Aurean is dedicated to each of the seniors as a reflection of this year, his "Golden Year". It has been a year of fulfillment and achievement.

This year's seniors finally saw the completion of a ten year building program. With this completion, the school could boast of a new cafeteria, teacher's lounge and lunchroom, library, shop wing, language labs, and various new classrooms.

A decade of progress is completed by the graduation of this year's senior class. Richfield High School, the new school, has become established.

Upon graduation, each individual faces the future confidently, secure in the knowledge that he has acquired a foundation upon which to build a meaningful, happy, and successful life.

Sandy, And then last year was fun too. This year in Shekane's class (for problems) really tips it all. The class is we sure learn and did we? We were finally gonna graduate! Finally!!! Remember in 10th grade when we doubled to Jr. Prom & this year we went to the fire & to that was really when we were. Sandy! It's been fun getting to know you in English. Best of luck always. The aroma of delicious foods and the hum of sewing machines were characteristic of the home economics classes this year.

These future homemakers were kept busy learning about, preparing, and eating food. Both minds and stomachs were full of nutrition. Units of study were meal planning, food preparation, and nutrition. Demonstrations on household appliances also were given.

Along with child care, family relations and infant care, clothing took a good share of the girls' time. They learned how to choose colors and fabrics best suited for themselves, coordinate their wardrobes, and sew their own clothing.

Girls this year could choose from Home Economics Survey, General Home Economics, Advanced Foods, and Advanced Clothing.

Through the Industrial Arts Department the student is acquainted with some of the skills necessary in his chosen field. The Industrial Arts Department at Richfield includes six major areas of study: graphic arts, electricity, architectural drawing, mechanical drawing, metals, and woodworking.

The Industrial Arts shops are equipped with the most modern training devices available. The boys in each class have the opportunity to gain practical experience working with such equipment as milling machines, offset presses, lathes, electronic gear, and a host of others.

English courses we got to take makes up only a bit of the many in this department. The object of the required English courses are to learn the kids to talk and write good. Lots of other ones have been made to encourage the growing of special interests. So we got speech, drama, debate, journalism, world literature, and creative writing too!

The Richfield Science Department offers many opportunities to its students. Biology is required for sophomores. This year many more have been able to participate in the BSCS program because of additional teachers and team teaching rooms. Many juniors and seniors take the excellent courses offered in chemistry and physics. Those students especially interested may take a second year of chemistry or biology and may be given the opportunity for independent study.

We at RHS can be proud of the modern and complete science department. New and modern textbooks and experimental study and teaching programs are used for the best possible education of the student. Opportunities for laboratory experience are also diverse and provide the students with a realistic view of what they are learning.

The Math Department provides several levels of education for people with different goals in mind. For those planning to major in one of the sciences or mathematics there is the three year program of accelerated mathematics. There are courses offered in plane and solid geometry, algebra, and trigonometry, for those students wishing for a solid basis in mathematics. For those who want only a little background in mathematics, secondary math is offered.

The Social Studies Department at RHS is composed of a wide variety of courses ranging from American history through world history, social problems, psychology, and world affairs.

The American history courses give the sophomore student an insight into his American heritage. Juniors, meanwhile, get a general view of the history of the world, while the seniors receive basic instruction in the economic principles of the U.S. in their social problems classes.

The psychology and world affairs classes at RHS enable the student to see the reasoning and motivations behind the actions of our world leaders today.

French, German, Latin, and Spanish are the four foreign languages taught at Richfield.

These languages are brought to life for students through the use of language labs, recordings, films, and dialogues. A favorite activity with the students is singing.

Again this year, the Spanish students will be offered a summer study trip to Mexico, at their own expense. Those who do go on the trip spend six weeks studying Spanish in Mexico, for which they receive a full year's language credit.

Other related activities for language students are the extra-curricular clubs that each language offers. Memberships are open to any student taking the specified language.

This year RHS students have displayed many of their talents in our showcases and on our bulletin boards. The Art Department gives Richfield students an opportunity to design and produce their creative ideas.

The four art courses offered are: Art I, concerned with handling art materials, Art II, a painting and sculpture course, Art III, concentrating on commercial art, and Art IV, a course on studio work.

RHS students also contribute their works for display in various art shows such as the annual Suburban Art League show at Southdale.

PRACTICE!!!

Mr. Miles Lundahl, Mrs. Gretchen Thomson, Mr. Charles Ziemer.

Next comes,, "Swing your partner 'round and 'round."

The Junior-Senior and Sophomore bands, under the direction of Miles Lundahl, have had a busy year. Both bands presented winter and spring concerts, and the combined efforts of both bands provided us with a wonderful Homecoming half-time show. One of the major accomplishments of the marching band was their playing at Metropolitan Stadium. Also, an exchange concert program with Bemidji High School was planned and turned out to be quite a success.

This year several extracurricular bands were active. The basketball and hockey pep bands helped in the general enthusiasm for our fine teams at the games. The swing band provided much entertainment on several different occasions, such as the variety show. Newly-formed this year, the concert band included the top members of the Junior-Senior band who performed at concerts. All bands led the music at our pepfests.

The choir was divided into two sections this year—the Girls' Glee Club, consisting of forty members, and the Mixed Chorus, made up of eighty-six members. Under the leadership of Mr. Ziemer, these groups provided entertainment at various concerts throughout the year.

The orchestra this year boasted a membership of nine. This all-string group has given concerts and has participated in other activities, under their director, Mrs. Thompson.

Physical Education

The Physical Education Department has the job of promoting health through exercise and education. Sophomores are required to take physical education, and there is an elective program for juniors and seniors. Both programs emphasize developing skills and good sportsmanship. The health classes are concerned with education in the basics of first aid, hygiene, and general health.

An extensive course of studies is open to the student at RHS through the exceptionally broad-based business department.

Students interested in accounting may take bookkeeping, where the preparation of financial statements, income tax forms, and various other business forms is taught.

Girls interested in secretarial work may enroll in shorthand, typing, and office practice. These courses help the student acquire speed and precision in carrying out various office routines.

Other courses offered in the department are personal typing, notehand, business law, consumer problems, and salesmanship.

*Nandy,
Seeing as I haven't seen you for a while, I guess I should see you more often. It was awfully nice to have you in my Salesmanship class. I'm also glad I got to know you. I've been framed! It's really been fun.

This darn stuff grows like weeds!

Okay, who's next?

"The rung of a ladder was never meant to rest upon,
but only to hold a man's foot long enough to enable
him to put the other somewhat higher."

Thomas Henry Huxley

And our new queen is chosen.

Coronation

Queen Carol begins her traditional walk.

Homecoming 1964 began with the Coronation, which was held at 7:30 in the high school gymnasium. Carol Pope was chosen as this year's lovely queen. A reception was held in the cafeteria following the Coronation. Faculty, alumni, seniors, and committee members were present to congratulate our new queen and her royal court.

Queen Kellie Ann Martinson crowns the 1964 Homecoming queen, Carol Pope.

The Royal Proclamation is read by Queen Carol.

Queen Carol is congratulated by Mr. Curry, our Homecoming advisor.

Well wishers wait in line to greet the new queen.

Queen Carol receives the Royal Torch from retiring Queen Kellie Ann.

A royal wave to her loyal subjects.

The Spartans won their tenth consecutive Homecoming game by defeating the Hopkins Warriors, 26-7. True to their slogan, the Spartans did "Show The Warriors How." The pre-game and half-time shows were provided by the RHS marching bands under the direction of Miles Lundahl.

Our Homecoming festivities were climaxed by the 1964 Homecoming dance. Music, provided by the Tony Grise orchestra, was the background for our dance. It was held in the cafeteria, which was beautifully decorated to the theme, "Moonlight Serenade."

Let's mosey on down to the kickapoo stand.

What lovely wearing "abarrels"!!

I've heard of being tied down, but this is ridiculous!!!

Dogpatch came to Richfield again this year on Friday, November 13th. With the Harry Strobel band providing the music, Li'l Abners and Daisy Maes turned out in style for their annual dance. It was held from 8:00 to 11:30 in the cafeteria which was appropriately decorated for the occasion. The atmosphere was completed by the presence of Marryin' Sam and plenty of Kickapoo Joy Juice for everyone.

Some of them folks from the hills!!

Liliom

Molnar's *Liliom* was the play sponsored by the Senior Class of 1965. It was presented at 8:00 on November 19, 20, and 21, in the auditorium. *Liliom*, a circus barker, falls in love with Julie, a poor working girl. After they are married, he unsuccessfully plans a robbery to obtain money for his wife and an expected child. To avoid capture, he kills himself and is taken to court in heaven. To be allowed to enter he must go back to earth and do one good deed. The play seemed well liked by the audience and attendance was good all three nights.

On with the show . . .

Have you heard the latest?

Cyrano de Bergerac

Don't move or I'll shoot!!

The last act of *Cyrano de Bergerac* is a tragic episode relieved by the witty comments of the poet-hero, Cyrano. He has kept his love for Roxane a secret for 14 years, and his love is revealed only by his knowledge of one of Roxane's old love letters. Their joy at this discovery is short lived, however, for Cyrano dies from a head wound soon after.

Balcony Scene tells the story of a young man who comes back to earth to see his own funeral. Although he can see his friends, they can not see him. Through them he sees his own life in a new light and how people really felt about him.

Paulette Astell, Terry Kirschner.

A.F.S.

Amanda Cuthbert from England and Muntana Pookkapund from Thailand are our A.F.S. exchange students. To help bring them to RHS, the committee sold A.F.S. bonds, sponsored a sock hop, and held their annual Ice Cream Social. Helping promote world understanding was Nancy Fredericks, our A.F.S. student to Finland this summer. Through our A.F.S. program and our exchange students, Mandy and Pookkee, we have come closer to understanding the people of the world.

*The very best
of luck Sandy - if you
come to England - I'll be
here! Sincerely
Mandy
A.F.S. '65*

Nancy Fredericks has happy memories of her trip to Finland this summer.

Our two exchange students, Mandy and Pookkee.

Spotlite

The Spartan Spotlite, the voice of R.H.S., presents all the news once a month. A lot of work goes on behind the scenes to complete each issue. After receiving their assignments, the reporters do their interviewing and writing. Then the editors lay out their pages, write headlines, and rush them over to the printer so the student body will receive the news on time.

The editors hurry to meet a deadline.

Quill and Scroll

The editors of the Spartan Spotlight and the Aurean, who are chosen for their academic and journalistic abilities, belong to Quill and Scroll. Their advisor is Mrs. McKnight.

Our cheerleaders are chosen each year for their ability, poise and enthusiasm. Besides leading cheers at games these girls put in long hours of practice and also make many signs to display at games.

Varsity cheerleaders are now divided into two separate squads. One cheers for Football and Basketball games, the other for Hockey and Wrestling. Each is made up of three juniors and three seniors. Two alternates, one of each class, practice with both squads.

B-squad cheerleaders are chosen from a field of five coming from each junior high. They cheer for B-squad Basketball games.

Football

After bringing home a Lake Conference and State Championship in 1963, many people expected big things from Richfield's entry. Things started well enough when the Spartans easily handled Mound. Then disaster struck. Richfield traveled to Wayzata, where a year earlier they had nearly broken a conference record by crushing the Trojans 68 to 0, and returned home with a 6-6 tie. The following week they were downed by a powerful Robbinsdale team.

The Spartan fortunes improved during the next few games as Richfield defeated Minnetonka, Hopkins, and Cooper, along with a tie with highly-rated Bloomington.

The remaining games were played with the eventual Lake Conference Co-Champions, Edina and St. Louis Park. The outcomes of these two games in no way hampered their championship drives. The loss of Dick Mehus and Tom Chrest for the final games probably weakened the team, but the Spartan's reserve depth creditably filled in as it did all season.

In post-season selections, Richfield's gridiron squad was honored by the naming of tackle John Sengbush and guard Mike Maxson to the All-Conference team. They also received honorable mention to the All-State team.

RICHFIELD 27 MOUND 0

Defending champion Richfield opened their 1964 season successfully with a crushing victory over Mound.

After Richfield stopped an early drive by the Mohawks, the Spartans marched 55 yards in ten plays with fullback Scott Forsberg plunging over from the three yard line. Late in the second quarter, Deane Lambert hit Jerry Peterson on a 68 yard play and then followed up with another pass to Greg Wasick for a touchdown, making it 14-0 at halftime. Richfield completely outplayed the Mohawks in the second half, allowing them only one first down while the Spartans moved almost at will. The Spartans drove 55 yards in 13 carries and 59 yards in 12 plays with Lambert going over for both touchdowns.

From the very start, the Spartans clearly outplayed their opponents in all phases of the game, with the Spartan's forward wall keeping the Mound offense contained throughout most of the game.

RICHFIELD 6 WAYZATA 6

After winning their first game of the season, Richfield journeyed to Wayzata to meet the Trojans. Expecting an easy victory over hapless Wayzata, the Spartans were stunned by a 6 to 6 tie. This was the first time since 1958 that Richfield was not able to defeat a Wayzata team. The tie broke Richfield's consecutive win streak at ten and dropped the Spartans to third place in the Lake Conference behind Bloomington and Edina.

Wayzata took the opening kickoff and went 70 yards for their only score. The point after the touchdown failed.

After a Richfield drive failed, the teams exchanged fumbles with the Spartans gaining possession on the Wayzata 45 yard line. It took six plays before quarterback Deane Lambert scored on a run from the 4 yard line. Richfield's attempt for the extra point failed, ending the scoring and giving Wayzata their surprising 6-6 tie.

RICHFIELD 14 ROBBINSDALE 20

Richfield opened the third game of the season against Robbinsdale with a display of power and precision. The Spartans grabbed the opening kickoff and marched 58 yards in eight plays, with Greg Wasick running it over and Deane Lambert going for the extra point. Richfield forced a Robin fumble on the ensuing kickoff, and six plays later Wasick rammed over again, with Lambert getting the extra point. When the Spartans regained the ball on a Robbinsdale punt, they drove to the Robin's 14 yard line where they were stopped. That proved to be the turning point in the game. In the second quarter, the fine Robbinsdale quarterback, Doug Petrie, sparked his team to a touchdown, making the score 14-7 at halftime. The second half was all Petrie and Robbinsdale. The Robin's quarterback scored on a 14-yard run, and his sparkling 40 yard sprint set up the third and final Robbinsdale score.

RICHFIELD 20 MINNETONKA 0

After securing their second win in 4 weeks of grid play, this victory was a great boost for the uninspired Spartans. With this win, the Spartans moved into possession of 5th place in Lake standings.

Limiting the Skippers to three first downs and preventing any penetration past their own 40 yard line, the Spartans revealed a marked improvement in their defense.

Tom Kiedrowski handled the traffic in the first quarter. Richfield drove 50 yards in 12 plays with Greg Wasick running across from the 7. Deane Lambert received the kick on his 40 and weaved his way to the Skipper's 11 before being pulled down. Three plays later, Len Doerfler received from Lambert and scored the Spartan's second touchdown. The try for the point was successful and the Spartans led 14-0 at the half.

The Spartans went 65 yards on 11 plays and Lambert scored from the 2. His try for the point was unsuccessful and the score read 20-0 at the end of the third quarter.

No further scoring was done in the final quarter but Richfield was in command throughout.

HOPKINS 7

The interior hammering of Len Doerfler and the artistry of Deane Lambert opened the door for this great Spartan victory.

Doerfler bucked up to one yard line where Lambert cracked in for the first touchdown of this '64 Homecoming game. Lambert, for the next score, faked a jump pass and rolled in on the left side. Scott Forsberg made Richfield's third touchdown for a 20-0 halftime lead. The tenacious Spartan defense prevented the Warriors from gaining a single first down in the first half.

Lambert worked his way in for our fourth touchdown which concluded the scoring.

The Spartan victory over Hopkins was our seventh straight decision over the Warriors, and it helped make Homecoming a big success.

RICHFIELD 28

BLOOMINGTON 28

Richfield met the number one ranked Bloomington Bears at their field for what proved to be one of the more exciting games of the year. The result was a 28-28 tie that knocked Bloomington from its top state rating.

After a score by Bloomington, the Spartans capped a 56 yard drive with a Lambert to Wasick pass. Bloomington scored again but the Spartans bounced back grinding out 77 yards and a touchdown followed by Lambert sweeping left end for the all important conversion.

Bloomington, riddling the Spartan defense with passes, scored two more for a 28-14 halftime lead. Late in the third quarter, Jerry Peterson ran back a Bear punt for a score which gave the Spartans new life. Finally, Tom Kiedrowski came in to pilot Richfield to it's fourth and tying score.

Tom Kiedrowski tears himself free.

RICHFIELD 22 COOPER 7

Richfield met the new Cooper High School Hawks for the first time, and came home the victor. Richfield's Scott Foresberg made our first touchdown. Cooper then made their first and only score on a 75 yard pass play. The Spartans came back with a safety, when Rick Bloomquist tackled a Hawk in their end zone. Richfield then broke it wide open on scores by Deane Lambert and Greg Wasick. This impressive victory put the Spartans back in the Lake Conference race.

RICHFIELD 6 EDINA 27

After four consecutive successes, Richfield met a tough and fast Edina team which dominated play throughout most of the game. The league-leading Hornets, going into this game with everything to lose, displayed a potent offense which scored in every quarter. Richfield's offense, on the other hand, was unable to mount a real attack until the fourth quarter. In that quarter, Deane Lambert capped a twenty yard march with a score from the one yard line.

This disappointing loss virtually knocked Richfield out of title contention and helped Edina on its way to a share of the Lake Conference Championship.

Watching and hoping.

RICHFIELD 6 ST. LOUIS PARK 16

St. Louis Park clinched a share of the Lake Conference Championship in a hard-fought 16 to 6 victory over Richfield.

Despite many injuries to key players, the Spartans took a 6-0 half-time lead on a second quarter touchdown by Len Doerfler. In the second half, Bob Olson, Park's outstanding halfback, scored both Oriole touchdowns, as Richfield was unable to mount any consistent attack.

"Everything to gain and nothing to lose." That was the consensus of opinion regarding this year's cross-country team. With the graduation loss of seven out of its top nine, Richfield was figured to finish with a season record well under .500.

However, by using last year's outstanding lettermen, Doug Edmonson and Jeff Christiansen, along with such vastly improved competitors as George Rounds, Jack Lutz, and Ron Emerson, the Spartans quickly gained respect throughout the conference.

Starting with a victory at St. James, Minnesota, Richfield went to defeat such formidable teams as Mankato, Edina, Bloomington, Robbinsdale, and Cooper. In the District 18 meet, the Spartans finished a somewhat disappointing fifth out of eleven teams, in spite of Doug Edmonson's excellent 8th place finish and Jeff Christiansen's tenth place.

Once again, the team was plagued by injuries. The loss of Captain Gary Heinrich definitely hurt the chances of the squad. Another thing which has always hurt Richfield has been a lack of spectators. This year, the RHS cheerleaders came to the meets. Not only did they double the number of Spartan fans, but they led to great improvements in the team's output. Next year, with the return of such standouts as Edmonson, Christiansen, Ron Prause, and Gordy Lundberg, along with more enthusiastic support, Richfield can expect big things from this exciting sport.

Just part of the workout.

Soccer

Again this year, the Richfield soccer team competed in the Minnesota High School Soccer League. The teams competing in this league are Blake, Edina, St. Louis Park, Breck, Shattuck, White Bear Lake, and Minnehaha Academy.

Soccer is a new sport which is becoming very popular at Richfield. It can be very exciting and, as soon as it is sanctioned by the State High School League, will become a letter sport.

The team's record under Coach Rudy Martignacco was four wins, two losses, and one tie. This record points up a marked improvement in RHS soccer. (Last year's squad never won a game.)

Richfield's lightly regarded Spartans with Barry Bishop the only returning regular opened the season with an impressive win at Mound. In the second game against Edina the Spartans were edged by three points due to the gunning of the Hornet's Tim Wood. Richfield remained unbeaten through its next eight games with important wins over a tall Minnetonka team and a tough St. Louis Park quintet led by Bob Olson. Sparked by eye-injured Denny Bengston with 24 points, the win against Park gave the Spartans title aspirations.

With Richfield and Edina tied for first place the Spartans took on the Hornets again before an overflow crowd at Edina. The Spartans leading most of the way and playing an outstanding defensive game revenged their early loss with a three point win. Bengston led all scorers with 21. On the following Friday the Spartan string was stopped at ten straight with a defeat at the hands of a keyed-up Minnetonka at Tonka. After the loss to the Skippers the Spartans picked up five more victories, including a 34 point performance by Barry Bishop against Wayzata and a repeat win at Park, to tie with Edina for the Lake Conference Championship with a 16-2 record.

Richfield was led throughout the season by the heroics of Denny Bengston (All-Conference), Barry Bishop (All-Conference), and Bob Bishop (All-Conference Honorable Mention). Regulars Tom Winter and Paul Chapman also played important roles in the team's success. Dick Hagen, Tim Strommen, and Dana George gave Richfield strong performances off the bench. It was an outstanding season for Vance Crosby only in his second year as head coach.

Skiing

Under the able leadership of coach Rudy Martignacco, the Richfield Ski Team of 1964-65 made a strong showing in the Lake Conference race and in the State Meet. During the regular season the Spartan's excellent cross-country team went undefeated. The slalom skiers also made a fine showing with their winning form. The jumping squad showed marked improvement throughout the year and should be strong next season.

In District competition, the Spartans did well enough to send nine boys to the State Meet at Duluth. These nine boys were: Ron King, Dick Taylor, and John Frederick in the jumping events; Ned Gibowski, Gerry Wenkus, and Erik Eidsmo in the slalom; and Gary Heinrich, George Rounds, and Doug Edmonson in cross-country skiing. George and Doug were outstanding in finishing fourth and fifth respectively in their event. With much of their talent returning, Richfield can look forward to another winning season with its ski team.

Gymnastics

Dick Smith performs on the parallel bars.

Gymnastics, the newest addition to R.H.S. varsity athletics, successfully debuted this year under the direction of coaches Jack Campbell and Vern Skari.

There are two levels of gymnastic competition, A and B. In A Class, the exercises are worked out by the individual and judged partly on difficulty, while in B Class, competitors do the same routine and are judged 50% on form and 50% on continuity. Because of its first year status at Richfield, the Spartans competed only in B Class, but next year will compete in both A and B.

As must be expected in a sport's infancy, the R.H.S. squad dropped its first meets to such established teams as Roosevelt, Bloomington, Cooper, and Coon Rapids. Finishing strong, however, the Spartans went on to defeat North St. Paul and Kellogg in their final two meets.

With its members competing on the side horse, still rings, parallel bars, horizontal bars, trampoline and in tumbling; the Spartans entered regional competition. In the State Meet, Richfield's Danny Mosher finished in a first place tie in tumbling.

Next year, with many competitors returning, the Spartans can make a strong showing with the help of the student support they deserve.

Coach Ward's prediction for a highly successful wrestling season this year came true. The season was made especially interesting by the schedule of strong Lake Conference and outstate teams. The biggest opposition came from such teams as Bloomington, Cooper, St. Louis Park, Minnetonka, and Edina. After a rather mediocre start, the Spartans managed to compile an 8 and 5 record.

In post-season competition, the 12 man squad entered the District 18 Tournament with Chris Katayama, Terry Borman, Howard Chatterton, Roger Mehus, and Mike Maxson advancing to the regionals. Three out of the five region qualifiers (Katayama, Chatterton, and Maxson) represented the Spartans in the state meet at the University of Minnesota.

Of the many fine individual records, Chris Katayama and Mike Maxson, who went undefeated in league competition, were outstanding.

Under the direction of our new hockey coach Mr. Richard Bouchard, Richfield finished second to Edina in Lake Conference hockey (with a 14-3-1 record). Their overall season record was 14-3-3.

After tying both Roosevelt and Henry in pre-season contests, the Spartans started off with a bang on their conference schedule by downing their first 12 opponents. This kept us in first place in Lake Conference standings until a game with St. Louis Park on the 15th of January, which marked the beginning of Richfield's fall from first place. This game ended in a 0-0 deadlock. The following night they won their game against Hopkins, but one week later the Spartans took their first loss. It was a 1-0 defeat at the hands of Minnetonka. This was followed by a loss to Edina, and in the season finale, a 1-0 decision favoring Bloomington.

In regional competition, the Spartans dropped their first and only encounter to the up-and-coming Bears. Bloomington went on from there to become state tournament finalists.

Forward From Graduation

Everybody, an old man once remarked sadly, is always saying goodbye.

And it's true. You say goodbye all your life. You say it to your playmates in grade school, to your friends and classmates in junior high, and you will say it to your sweethearts and teammates in high school. You'll say it to neighbors when you move away, and to mothers and fathers when you leave home. Every time you feel as if you are leaving something behind, you usually are.

Most of us on Graduation Day, June 10, 1965, won't feel we are leaving too much behind at RHS. We remember too many final exams, seventh hours, homework assignments, nights without dates, and report cards. We may magnify the troubles and forget the good times. We are graduating, and we could not be happier to leave.

But there are a lot of things to remember about RHS, and more of them than we may now think are things no one likes to leave. We won't miss the 7:45 bell perhaps, or the long lunch lines, or Monday mornings. But we might well miss Prom night, and we certainly will miss the people—those with whom we have shared these three years. Some of them were instructors; some of them, advisors; some of them, coaches; most of them, students. All of them are friends; and friends, particularly after you have flunked a Social Problems test, can be mighty comforting to have around.

High school is a once-in-a-lifetime thing. Our friends in the Class of '65, whether they continue their education or seek employment elsewhere, will be scattered the world over. We may meet; we may have reunions, but things will never be quite the same again.

The next best thing to enjoying good times, though, is remembering them. It is with this end in mind that this year's Aurean was shaped. We, the Aurean staff, hope in some small way, that we will prove to have been successful.

The codfish lays 10,000 eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done.
And so we scorn the codfish,
While the humble hen we prize,
Which only goes to show you
That it pays to advertise.

Sandy,
 Looks like we finally
 are graduating. When I think
 of how much fun high school
 has been, I really hate to
 leave. Good luck always!

ACKNOWLEDGMENTS

In appreciation for the help they have given us in
 bringing you this 1965 edition of the AUREAN,
 we wish to thank the following people:

Elaine B. Bruggeman of Gopher Studio for her
 assistance and advice in photography.

Mr. Dan Gleason and the Taylor Publishing
 Company for advice and services.

The Administration, faculty, and students for
 their fine cooperation.

Thank You,

Mr. Lowell Larson, Advisor; and
 the entire AUREAN Staff.

Sandy,
 Must be rough! Graduating!
 I can't wait til I do. But I
 guess I'm sorta excited about
 my senior year. Good luck
 in the future in whatever
 you choose to do - you deserve
 everything the best! Just, rem-
 ember old Charley and girls choir.

Sandi

It's been fun knowing
you for the last 2 years.
I'll sure never forget
Miss Vail and our dear
sessions in the library.
Good luck in the
future and stay just
as talkative and as
nice as you are now.

We made
it through
English so I guess
we can make it
through life.
Good luck
Gail Kates
and much happiness
all your success to you in
your future
endeavors
Always,
Nancy

I've forgotten the
English class we
had as seniors. Best of
luck in everything.

Sandi
It's been a fun
year for you in
my fourth grade
or maybe fifth
way back. I'll
sure see you
close to sweet
and
Best of luck
of course
-65

Sandi - I'm glad you
weren't in any
of the same classes
but across the hall
was good enough!
Be good & stay really
sweet as you
are!

Shuehans last help
a job! I can't help
but fall asleep in
there. I'm glad you
got to know me
this year. Hot
Duck!

Sandi
Best of luck
in the future
